MEMORANDUM FOR: ADPS

SUBJECT: Over-all Objectives of FINEB

1. I wish to refer to GCP's memorandum of November 17 entitled "Over-all Objectives of FINEB". I agree with the recommendations as outlined. I think, however, that we should proceed on the assumption that we can make no preparation for Government building in Albania until we are more sure of Tito than we are now. His relationship to us over the next months and the measure of agreement or non-agreement which we may be able to reach on Albania will, in my opinion, be decisive. The main thing now, of course, is to get our committee going and begin an intensive propaganda campaign.
